Dear Sir,

On the formation of the Horticultura[illegible]ernment were ---- pleased to sanction the supply to the members of plants and seeds from the Lal-Bagh at half catalogue rate.

Members had also the use of the Library, and the Director's Office is used as a meeting place.

The Glass House is placed at the disposal of the Society for their Shows.

In view of this close connection of the Society with the Lal-Bagh it was decided that the Superintendent (now Director) should be the permanent Chairman of the Council and the Assistant Superinten Superintendent) the Secretary.

Now that the work of the Society and its connection w sections of the Lal-Bagh are fully organised and are wor I consider that the object will be served if the Superint as Official Secretary, and it would be expedient and stim interest among the members if they were permitted to elect Non-Official Chairman.

As I have to relinquish my Official Chairmanship on m I should be willing to continue un-Officially till the ne -ing in February 1933 when the Society could arrange to e Chairman along with the election of the Council or th to give the Council the privilege of electing a Chairman f their own members.

Yours Sincerely,

B.T.Kesava Iyengar, Esqr., B.A
